SCHEDULE CHANGES Routes #7 and #6 Afternoon ONLY

Dear Parents/Guardians,

We have had very high ridership on Bus #7 in the afternoon so we have made some routing changes which **will be effective Monday, December 18th, 2017**.

- 1) Ecole Cobble Hill Elementary and George Bonner Elementary students who are currently dropped off by Bus #7 at its **first two stops** 1) Deloume Rd @ Lodgepole Rd and 2) Lodgepole Rd @ Alget Rd **will now be serviced by Bus #6**. These students need to board Bus #6 at their schools in the afternoon.
- 2) As a result of these additional stops, Discovery Elementary students riding Bus #6 will be picked up at 2:56pm and all stops after Discovery Elementary **will be approximately 8-10 minutes later**. An updated route sheet is attached for your convenience.

**These changes will be effective
Monday, December 18, 2017**

We will be using the week of December 18th to 22nd to review these changes for effectiveness.

Thank you for your cooperation in advance. If you have any questions or concerns, please contact me via email at transportationsupervisor@sd79.bc.ca or by phone at 250-748-1066 ext 275.
