SCHEDULE CHANGES Route #10 Morning ONLY

Dear Parents/Guardians,

Your student is currently registered to Route #10 for morning ridership. Route #10 has an "A" run which services Elementary students and a "B" run which services Secondary students. The last students to be dropped off are Frances Kelsey Secondary students who have been getting dropped off very near to start time. We would like to get these students to school with a few minutes to get organized so we've adjusted the start time by 9 minutes. Route #10 will begin 9 minutes earlier.

This change will affect pick-up times for all riders. Please review the attached updated route sheet to confirm your student's new pick-up time.

<p>These changes will be effective Monday, April 9, 2018</p>

Thank you for your cooperation in advance. If you have any questions or concerns, please contact me via email at transportationsupervisor@sd79.bc.ca or by phone at 250-748-1066 ext 275.

Regards,

Selena Hayes
Transportation Supervisor
