

SCHOOL PLANNING

Background

School planning and reporting are integral components of District planning and reporting.

Procedures

1. All school plans must satisfy the requirements outlined in the District's criteria for approval of school plans.
2. The Principal must ensure that school plans and results reports are prepared in collaboration with staff, the Parents' Advisory Council, and, where appropriate, students.
3. School plans inclusive of results achieved, are to be updated and submitted to the Superintendent annually.
4. School plans are to be submitted by the Superintendent to the Board annually.
5. School plans must be made available to the parents of students attending that school and will be posted on the school website.
