

NOT SURE WHERE YOUR CHILDS STOP IS

If you are unsure what bus your child is assigned to please see the [e-Link instructions](#) below.

FIRST TIME eLink USER INSTRUCTIONS:

1. Go to the district website (www.sd79.bc.ca), click **Services**, then **Transportation**, then **Routes**, and then **e-Link**.
2. Username = Student # (can be obtained through the school or transportation)
3. Temp password = Date of Birth mmddyyyy
4. You will be asked to "Change Password" - the old password is the Date of Birth entered again
5. enter email - confirm email
6. answer security question
7. select "Work with Students"
8. Select "View My Students"
9. Then click on your student's name to view routes (route numbers will be indicated on the front of the bus)
10. Click on "Show Basic Information" to confirm student information
11. Submit CHANGE FORM if any information needs changing or updating

NOTE: You only require one student id# per family, all children in the same household will be linked together.

RETURNING eLink USERS INSTRUCTIONS:

1. Username = student # (you can obtain this through the school) or by using the retrieval at eLink
2. If you do not know the password please use the password retrieval
3. Select "Work with Students"
4. Select "View My Students"
5. Then click on your student's name to view routes (route numbers will be indicated on the front of the bus)
6. Click on "Show Basic Information" to confirm student information
7. Submit CHANGE FORM if any information needs changing or updating

NOTE: You only require one student id# per family, all children in the same household will be linked together.
