Confirmation for all busing request will be emailed mid August.

Dear Parent/Guardian,

This is a friendly reminder for any parents that have ***not*** registered for transportation services for the upcoming 2020/2021 school year. In an effort to improve services, there have been some changes to the registration process. The Transportation Department will NOT be “rolling over” registered bus riders. All transportation requests received after May 31st will be considered only if there is room on existing routes as per Administration Procedure 560.

ALL students wanting transportation services for the 2020-21 school year MUST register for busing!

An online fillable registration form and printable form are available on the School District webpage under transportation. Registration forms can also be picked up at our Transportation Office 2557 Beverly St Duncan BC.
