RE: CUPE Designate Only Position Information

The following rules pertain to the CUPE Designate Only positions currently posted.

To avoid penalizing a CUPE designate by not permitting the acceptance of long term casual assignments, CUPE and the Board have agreed to the following:

- CUPE casual designates are permitted to accept any casual work as usual within their seniority and qualifications and offered by the CUPE dispatcher;
- Fulfilling a CUPE designate only position will take priority while in any casual assignment and may be on short notice;
- In order to provide designate coverage for a CUPE position, CUPE casual designates would be required to leave a casual assignment and can then return to the casual assignment the following day;
- Designates cannot return to a casual assignment for a partial day.
- Applies to casuals who are designates to CUPE positions only;
