GUIDELINES FOR CALCULATING SENIORITY

TEMPORARY APPOINTMENTS

Count all temporary appointments effective July 1, 2006 up to the date when the teacher achieves a continuing contract.

Temporary appointments effective April 1, 2006 to June 30, 2006 do not count towards Seniority unless they are less than 1.0 FTE (if less than 1.0 FTE count the TTOC days).

TEACHER-TEACHING-ON-CALL DAYS

19 or more TTOC days = 1 month seniority

Count all TTOC days, *effective April 1, 2006*, between temporary appointments, and up to the date of when the teacher achieves continuing status. Do not count TTOC days that fall within the Temporary appointment dates.

To count TTOC days: Print the 'Employee Replacement Analysis' report and count all applicable TTOC days. When all TTOC days listed on this report are to be counted towards seniority; use the FTE # not the Absence/Repl #.

Add up all TTOC days, divide by 19 to get number of months (and round up).
