

What can be learned by looking back as you move forward?

<p>What have we lost? What is the impact of this loss?</p>	<p>What good is now possible?</p>
<p>What can you lose, discard, not do anymore?</p>	<p>What will emerge as possibilities?</p>
<p>What will you seek to recreate or redesign?</p>	<p>What do you see as your priority for September in whatever model we find ourselves in?</p>
