

Childcare Fee Reduction Initiative (CCFRI)

The Cowichan Valley School District is committed to helping families obtain stable child care and lower fees. The Childcare Fee Reduction Initiative (CCFRI) is a program that we, the care providers, enrolled in and is a monthly fee reduction to assist all child care families with the cost of child care. Monthly fee reductions are set by the BC Government and are subject to change throughout the school year. Families do not need to apply to this.

If you glanced at the fee schedule, you will see in the middle column what the fees would be without the Childcare Fee Reduction Initiative, and the far right column shows the parent payable amounts under our participation in this CCFRI program
