

Board Policy Handbook

Cowichan Valley School District

This Board Policy Handbook has been developed to highlight and support the very important governance function of the Board. In addition to clearly defining the role of the Board, the role of the Superintendent and the delegation of authority from the Board to the Superintendent, it includes the following as policies:

1. Foundational statements which provide guidance and direction for all activities within the District;
2. Directions for how the Board itself is to function and how individual trustees are to conduct themselves; how Board committees and representatives are to function;
3. Statements as to how appeals and hearings will be conducted;
4. Non-delegable matters such as policy-making and school closures; and
5. Specific matters which the Board has chosen not to delegate to the Superintendent.

This Board Policy Handbook is intended to be supplemented by an Administrative Procedures Manual; the primary written document by which the Superintendent directs staff. The Administrative Procedures Manual must be entirely consistent with this Board Policy Handbook.

The development of two separate and distinct documents is meant to reinforce the distinction in this District between the Board's responsibility to govern and the Superintendent's executive or administrative duties.

It is to be noted that the electronic versions of both the Board Policy Handbook and the Administrative Procedures Manual as well as any other handbooks/manuals referenced are always the most current documents available.

Appendix B (Policy 2)

**POLICY 2 - APPENDIX B - FORMATIVE BOARD SELF-EVALUATION
PROCESS
Cowichan Valley School District No. 79**

PROCESS

The Board will have a facilitated performance review twice per term.

Purpose

The purpose of the formative Board self-evaluation is to answer the following questions:

1. How well have we fulfilled each of our defined roles as a Board during the evaluation period?
2. How do we perceive our interpersonal working relationships?
3. How well do we receive input and how well do we communicate with those we represent?
4. How would we rate our Board-Superintendent relations?
5. How well have we adhered to our governance policies?
6. What have we accomplished this past year? How do we know?
7. What actions shall the Board take during the next year to become more effective?

The answers to these questions provide the data for the development of a positive path forward.

Evaluation principles

The following principles form the basis for the formative Board self-evaluation process.

1. A learning organization is focused on the improvement of practice.
2. A commitment to continuous improvement is a sign of organizational health.
3. An effective evaluation process provides for growth and accountability.
4. The annual Board evaluation process shall model the Board's commitment to principles 1-3.
5. A pre-determined process for evaluation strengthens the governance function, builds credibility for the Board and fosters a healthy Board-Superintendent relationship.
6. An evidence-based approach provides objectivity to supplement the subjectivity involved in evaluation processes.

CONTEXT

The Board is a corporate entity created by provincial legislation and given authority by the School Act and the attendant Regulations. The Board exercises its authority through a democratic process.

The duty of the Board is to represent its electors and advocate for publicly funded education in a broader context.

The Board is charged with the responsibility of providing, for its students and their parents/guardians, an education system organized and operated in their best interests. It exercises this responsibility through setting of clear strategic direction and the wise use of resources.

Policy 3

POLICY 3 - ROLE OF THE TRUSTEE

Trustees are elected in accordance with the Local Government Act.

The role of the trustee is to contribute to the Board as it carries out its legislated mandate. The oath of office taken by each trustee when he or she assumes office binds that person to work diligently and faithfully in the cause of public education. A trustee must first and foremost be concerned with the interests of the school Board.

The Board of Trustees is a corporation. The decisions of the Board in a properly constituted meeting are those of the corporation. The School Act gives no individual authority to trustees. As members of the corporate Board, trustees are accountable to the public for the collective decisions of the Board, and for the delivery and quality of educational services. A trustee must serve the community as an elected representative, but the trustee's primary task is to act as a member of a corporate Board. School Board trustees collectively and individually have a public duty to carry out their responsibilities and the work of the Board in good faith and with reasonable diligence. Trustees have one overarching responsibility – a shared public duty to advance the work of the school Board. A trustee's fiduciary duties are owed to the school Board (not to themselves, their family or friends) which is, in turn, accountable to the electorate.

A trustee who is given corporate authority to act on behalf of the Board may carry out duties individually but only as an agent of the Board. In such cases, the actions of the trustee are those of the Board, which is then responsible for them. A trustee acting individually has only the authority and status of any other citizen of the District.

The Board shall indemnify a trustee in accordance with Policy 18 Indemnification By-Law

Specific Responsibilities of Individual Trustees

The trustee shall:

1. Become familiar with District policies and procedures, meeting agendas and reports in order to participate in Board business.
2. Support a majority vote of the Board to advance the work of the Board and monitor progress to ensure decisions are implemented.
3. Refer governance queries, issues and problems not covered by Board policy to the Board for corporate discussion and decision.
4. Refer administrative matters to the Superintendent.
5. The trustee, upon receiving a complaint or an inquiry from a parent, staff member or community member about operations, will refer the parent, staff member or community member back to the teacher, Principal, or District Office personnel and will inform the Superintendent or designate of this action.

6. Keep the Board and the Superintendent informed in a timely manner of all matters coming to his/her attention that might affect the District.
7. Provide the Superintendent with counsel and advice, giving the benefit of the trustee's judgment, experience and familiarity with the community.
8. Attend meetings of the Board; participate in, and contribute to, the decisions of the Board in order to provide the best solutions possible for the education of children within the District.
9. Attend committee meetings or meetings as a Board representative, as assigned, and report to the Board in a timely manner.
10. When delegated responsibility, will exercise such authority within the defined terms of reference in a responsible and effective way.
11. Participate in Board/trustee development sessions so that the quality of leadership and service in the District can be enhanced.
12. Strive to develop a positive and respectful learning and working culture both within the Board and the District.
13. Continue to carry out duties with integrity and responsibility during an election period.
14. Become familiar with, and adhere to, the Trustee Code of Conduct.

Orientation

As a result of elections, the Board may experience changes in membership. To ensure continuity and facilitate a smooth transition from one Board to the next following an election, trustees must be adequately briefed concerning existing Board policy and practice, statutory requirements, initiatives and approved plans.

The Board believes an orientation program is necessary for effective trusteeship.

1. The District will offer an orientation program for all trustees following an election that provides information on:
 - 1.1 Role of the trustee and the Board;
 - 1.2 Organizational structures and procedures of the District;
 - 1.3 Board policy, agendas and minutes;
 - 1.4 Existing District initiatives, annual reports, budgets, financial statements and long-range plans;
 - 1.5 District programs and services;
 - 1.6 Board's function as an appeal body;
 - 1.7 Statutory and regulatory requirements, including responsibilities with regard to conflict of interest; and
 - 1.8 Trustee remuneration and expenses.
2. The District will provide financial support for trustees to attend British Columbia School Trustees Association sponsored orientation seminars.

3. The Board Chair and Superintendent are responsible for ensuring the development and implementation of the District's orientation program for trustees. The Superintendent shall ensure each trustee has access to the Board Policy Handbook and Administrative Procedures Manual at the organizational meeting following a general election or at the first regular meeting of the Board following a by-election.

Specifically

Trustees shall:

1. Carry out their responsibilities as detailed in Policy 3 – Role of the Trustee with reasonable diligence.
2. Keep confidential any personal, privileged or confidential information obtained in his or her capacity as a trustee and not disclose the information except when authorized by law or by the Board to do so. Trustees shall not divulge the contents of closed (in-camera) meetings, recognizing that a disclosure could seriously harm the Board's ability to conduct its business.
3. Be fully conversant with Section 55 and 60 of the School Act. Disclose in open meeting prior to discussion of the subject matter which may place the trustee in conflict, the nature of any pecuniary interest, and may leave the room. In addition, such a trustee in conflict shall not discuss the matter outside the meeting with other trustees and shall not exert influence on the decision in which the trustee has a conflict of interest. The trustee is responsible for declaring himself/herself to be in possible conflict of interest, however, it is the fiduciary duty of all trustees, the Superintendent and the Secretary-Treasurer to protect the Board and they have a duty to point out apparent, potential or perceived conflict of interest when it appears. Additionally, a trustee may request guidance from other trustees or the Board on this matter. Such declaration of conflict of interest shall be recorded in the minutes of the meeting and the trustee shall not in any way contact or discuss the associated topic at any time outside the Board table.
4. Not use their influence to obtain employment within the District for family members or friends and will not use their position for personal advantage or the advantage of friends and/or family.
5. Trustees shall not attempt to exercise individual authority over the organization except as explicitly set forth in policies of the Board. Trustees' interaction with the Superintendent or with staff shall recognize the lack of authority vested in individual trustees except when explicitly authorized by the Board;
6. Only the Corporate Board as opposed to individual trustees shall exercise individual authority over the Superintendent. In particular, only the Corporate Board shall make judgments regarding the Superintendents performance.
7. Abide by the policies of the Board, all applicable legislation and regulations, in particular the School Act, the Oath of Allegiance and the Oath of Office.

8. Respect and abide by the majority decisions made by the Board in legally constituted meetings.
9. Endeavour to work with fellow Board members in a spirit of harmony and cooperation in spite of differences of opinion which may arise during debate.
10. Ensure fiduciary responsibility to the Board supersedes any conflicting loyalty such as that to advocacy or interest groups and membership on other Boards or staffs.
11. Represent the Board in all Board-related matters with proper decorum and respect for others.
12. Use discretion at all times to minimize the impression that the individual trustees' statements reflect the corporate opinion of the Board.
13. Ensure the use of electronic devices is for the purposes of the meeting.
14. Refrain from engaging in private communications while at Board meetings.

3. Conciliatory measures will normally include:

Failure of Security

Failure to comply with this requirement constitutes a failure of security. An individual trustee may bring a suspected breach of security to the attention of the Board, at a closed meeting of the Board. If by majority vote the Board agrees that a failure has occurred, the failure shall be recorded by the Board and the following procedure shall be invoked:
- 12.1 The Board Chair shall request that the Superintendent (as head of the District under the Freedom of Information and Protection of Privacy Act), appoint an independent investigator to review this matter. This request may occur only after such a motion has been discussed and agreed to by a majority of trustees present at a closed meeting of the Board. This decision shall immediately be approved in a public meeting of the Board.
 - 12.2 The independent investigator shall conduct an investigation and submit a report of findings and recommendations to the Board Chair and to the Superintendent.
 - 12.3 The Board Chair shall present at a closed meeting of the Board, the report of the independent investigator. At this time, the trustee in question shall have an opportunity to present any additional, relevant information.

POLICY 7 - BOARD OPERATIONS

The Board's ability to discharge its obligations in an efficient and effective manner is dependent upon the development and implementation of a sound organization design. In order to discharge its responsibilities to the electorate of the District, the Board shall hold meetings as often as necessary. A quorum, which is a simple majority of the number of trustees, must be present for every duly constituted meeting.

The Board has adopted policies so the business of the Board can be conducted in an orderly and efficient manner. All points of procedure not provided for in this Policy Handbook shall be decided in accordance with Robert's Rules of Order.

The Board's fundamental obligation is to enhance, the public trust in education, generally, and in the affairs of its operations in particular. Consistent with its objective to encourage the general public to contribute to the educational process, Board meetings will be open to the public. Towards this end, the Board believes its affairs must be conducted in public to the greatest extent possible.

There are times when public interest is best served by private discussion of specific issues in "Closed" sessions. The Board believes it is necessary to protect individual privacy and the Board's own position in negotiating either collective agreements or contracts and therefore expects to go into Closed session for issues dealing with individual students, individual employees, land, labor, litigation or negotiation.

In order to carry out its responsibilities effectively, the Board will hold periodic meetings of several types. Formal meetings, at which all formal and legal business of the Board as a corporate body shall be done, may be designated as inaugural, regular, special, or closed. The Board may also hold informal meetings from time to time for the purposes of general discussion, meeting with other individuals or groups, or for information gathering and sharing.

The Board has adopted specific policy governing the conduct of its formal meetings.

If more than two nominations are made and if from the first ballot no nominee receives a clear majority, the nominee receiving the fewest votes shall be eliminated from the ballot. This procedure shall be continued until one candidate receives a clear majority, and that person shall preside for the ensuing year or until a new Chair is elected.

The Board shall maintain and preserve by means of minutes a record of its proceedings and resolutions.

6.1 The minutes shall record:

- 6.1.1 Date, time and place of meeting;

- 7.3 The presiding officer may divide a motion containing more than one subject, and it shall be voted on in the form in which it is divided.
- 7.4 An amendment is a motion to modify the wording of a pending motion. An amendment must be closely related to or have a bearing on the subject of the pending motion. A motion may be amended more than once; however, there can be only one amendment on the floor at a time. An amendment to an amendment must be germane to the first amendment and cannot be amended.
- 7.5 A motion to reconsider a decision can be made the day on which the original motion was voted upon by a trustee who voted on the prevailing side. This motion may be seconded by any trustee. If the original motion was debatable, the motion to reconsider is debatable and the debate can be on the merits of the original question. No question can be reconsidered twice.

- 7.6 Motions to rescind or to amend something adopted at a previous meeting will be considered only if notice has been given at the previous meeting or in the call for the present meeting, and if no action has been taken which it is too late to undo.
- 7.7 Motions to rescind or to amend something previously adopted require the same majority, simple or two-thirds, that the original motion required.
- 7.8 A motion defeated at a previous meeting can be moved again at a subsequent meeting only if notice is given in the call of the meeting.
- 7.9 Where the number of votes on a motion is equal, the motion is defeated and the Chair shall so indicate.
- 7.10 The Chairperson or other presiding officer shall determine all points of procedure except that any ruling may be challenged by any trustee and decided by a majority vote of the trustees present. Where a ruling of the chair is challenged, a motion to sustain the chair shall be made and a vote shall be taken forthwith without debate.
- 7.11 In regard to decorum, trustees must keep their comments germane to the issues at hand. Trustees must remain civil and courteous, avoid offensive language or personal attacks, and abide by the Presiding Officer's instructions.
- 7.12 Remarks or questions to other trustees, staff members or a public delegation shall be directed through the Chair.
- 7.13 The Chair may enter debate or propose or second a motion and may vote as any other trustee.
- 7.14 The Chair may temporarily vacate the chair for any reason in which case the Vice-Chair, if present, or another trustee appointed by the Chair shall preside.
- 7.15 If the Chair is absent or unable to act, the Vice-Chair shall preside at meetings of the Board. If the Vice-Chair is absent or unable to act the trustees present shall elect one of their number to preside.
- 7.16 Each trustee has the right to speak twice on the same question but cannot make a second speech so long as any trustee who has not spoken on that question desires to speak. No trustee shall speak for more than five minutes at one time. The mover of a motion shall have the right to close debate.
- 7.17 Debate shall be strictly relevant to the question before the meeting. The presiding officer shall warn speakers who violate this rule or who persist in tedious or repetitious debate.
- 7.18 A matter of privilege may be raised at any time and shall be dealt with forthwith before resumption of business.
- 7.19 No trustee shall interrupt another trustee who has the floor except to raise a point of order, a point of privilege, or to disclose a conflict of interest.

8. Voting

- 8.1 All trustees present at a meeting and entitled to vote will vote on each resolution or bylaw. A trustee not voting on any question will be deemed to have voted in the negative unless the trustee has a conflict of interest, in which case the trustee must not vote and his or her abstention will not be counted.
- 8.2 Voting shall be by show of hands. The Secretary-Treasurer shall record in the minutes the mover and seconder of a motion and, upon the request of a trustee, shall record the names of the trustees voting against the motion.

9. Public Participation

The Board welcomes and provides for a variety of forms of public participation by members of the community. Public participation may be through presentations by a delegation, through formal question/comment periods in regular Board meetings or in the form of written communications. Such opportunities shall not be used to address matters which must be dealt with in Closed meetings as noted elsewhere in this policy. For example, individual student matters must not be dealt with in a public setting. In addition, structures have been defined in legislation and collective agreements to deal with labour management issues. The public participation opportunities noted below are not to be used to deal with such matters. The Board respects and honors employee groups' contracts and official representatives and will therefore deal with labour management issues through defined legislated and collective agreement processes.

Delegations

- 9.1 Parties wishing to appear as a delegation must notify the Secretary-Treasurer before Tuesday noon of the week prior to the Board Meeting for their presentation to be considered for inclusion in the agenda.
- 9.2 All delegations appearing before the Board shall present a written brief for inclusion in the agenda.
- 9.3 The Chair shall rule on the propriety of all presentations and questions and may decline to have a matter heard from a delegation or terminate any presentation or question or refer it to an "in camera" meeting of the Board if that is deemed to be appropriate by the Chair.
- 9.4 The Board will recognize an official spokesperson from each delegation.
- 9.5 Trustees may ask questions for clarification but no recommendations or motions concerning the presentation will normally be made at the same meeting.
- 9.6 Presentations by delegations must be limited to ten minutes unless this time limit is waived by the Board.
- 9.7 The Chair of the Board may determine the number of delegations that will be heard at any one Board meeting and shall inform all trustees regarding delegation requests that have been made, considered, and either included on the Board agenda or denied.
- 9.8 The Chair may deny a request to appear as a delegation to the Board for any of the following reasons:
 - 9.8.1 If a request to appear as a delegation is relevant to a particular committee, that

request is referred to the committee. For example, if an individual wants to address a new education program idea, he or she is referred to the Board Education and Business committee.

- 9.8.2 If the individual or group has already presented to the Board on the same topic, the request is denied.
- 9.8.3 If it is a full agenda, the number of delegations may be limited and the person denied is advised that they will be considered for the next meeting.
- 9.8.4 A request to appear as a delegation may be denied if the topic is unclear. The person requesting to appear is asked for more information. Once more information is received, the request is considered again.

Comment and Question Periods

- 9.9 During the Question Period section of the Agenda, individuals may ask a question and supplemental questions of the Chair on School Board matters. The total time for each question, including supplemental questions and the response is five minutes.

Correspondence

- 9.10 Correspondence is at times sent to the Board and at other times to individual trustees. Even when correspondence is addressed to an individual trustee the contents may be more appropriately addressed by the corporate Board. Where correspondence is addressed to the Board or its contents are more appropriately addressed by the corporate Board the following processes shall be adhered to. The intended outcomes of these processes are: to ensure Board correspondence is acknowledged in a timely fashion, the corporate Board is aware of the public input provided and where required, a corporate response is provided in a timely manner.
- 9.11 Where non-routine correspondence is received that appears to require a formal Board response, that correspondence shall be placed on the agenda of the next regular Board meeting.
- 9.12 Where non-routine correspondence is received that does not appear to require a formal Board response, that correspondence, together with any response issued by the Superintendent, shall be circulated to the trustees.
- 9.13 Where an individual trustee receives correspondence that in the trustee's judgement is more appropriately a corporate Board matter, the correspondence will be directed to the Chair who will acknowledge the correspondence, and act in accordance with 9.11 or 9.12 above.

10. Audio/Video Recording Devices

The role of liaison trustee is to provide visible support for school activities including but not limited to athletic competitions, fine arts performances and displays, school celebrations, and recognition events. The role allows trustees to become knowledgeable of public school activities and events and understand the culture of schools in the District. Trustee attendance at liaison schools shall be managed individually, taking into consideration the availability of the individual trustee to attend such events throughout the school year.

School liaison responsibilities shall not:

- Inhibit or circumvent administrative authority or responsibility
- Include any decision-making authority

Parent Advisory Council

Parent Advisory Councils as per section 8 of the School Act may advise the Board and the principal and staff of a school. POLICY 10 - POLICY MAKING

Policy development is a key responsibility of the Board. Policies constitute the will of the Board in determining how the District will be operated and communicate the Board's values, beliefs and expectations. Policies provide direction and guidelines for the action of the Board, Superintendent, staff, students, electors and other agencies. Policies also serve as sources of information and guidelines to all who may be interested in or connected with the operation of the District. Adoption of new Board policies or revision of existing policies is solely the responsibility of the Board.

The Board shall be guided in its approach to policy making by ensuring adherence to the requirements necessary to provide public education and compliance with the School Act and provincial as well as federal legislation.

Board policies shall provide an appropriate balance between the responsibility of the Board to develop the broad guidelines to guide the District and the opportunity for the Superintendent to exercise professional judgment in the administration of the District.

The Board believes in the establishment and review of policy which reflects its values and perspectives.

The Board shall adhere to the following stages in its approach to policy making:

1. Planning

The Board, in cooperation with the Superintendent, shall assess the need for a policy, as a result of its own monitoring activities or on the suggestion of others, and identify the critical attributes of each policy to be developed.

2. Development

The Board may develop the policy itself or delegate the responsibility for its development to the Superintendent.

3. Implementation

The Board is responsible for the implementation of policies governing its own processes. The Board and Superintendent share the responsibility for implementation of policies relating to the Board-Superintendent relationship. The Superintendent is responsible for the implementation of the other policies.

4. Evaluation

The Board, in cooperation with the Superintendent, shall evaluate each policy in a timely manner in order to determine if it is meeting its intended purpose.

Specifically

1. Any trustee, employee, parent, student or other community member may make suggestions regarding the possible development of a policy or the need for policy revisions on any matter by presenting a proposal for a policy or revisions, in writing, to the Superintendent. The proposal shall contain a brief statement of purpose or rationale.
2. The Superintendent will inform the Board of the request for policy development/revision. The Board will determine the action to be taken.
3. When appropriate, the Superintendent shall seek legal advice on the intent and the wording of the policy.
4. Policy drafts shall be brought by the Superintendent to the Board for consideration and possible approval.
5. The Board will determine whether further information or consultation is required.
6. If further consultation is required, comments and suggestions on the policy draft will be reviewed by the Superintendent and/or designate(s).
7. Once stakeholder comments have been taken into account, and any information needs satisfied (if so determined), the policy will be recommended to the Board for approval.
8. Only those policies which are adopted and recorded in the minutes constitute the official policies of the Board.
9. In the absence of existing policy, the Board may make decisions, by resolution, on matters affecting the administration, management and operation of the District. Such decisions carry the weight of policy until such time as specific written policy is developed.
10. If the Board adopts a motion which has continuing applicability the Board shall seek means to include the direction of such motion as part of an existing policy or to develop a free-standing policy to reflect the direction contained in the motion.
11. The Board may request the Superintendent to change an administrative procedure to a draft Board policy and will in such an instance provide the rationale for same.
12. The Superintendent shall develop administrative procedures as specified in Policy 11 – Board Delegation of Authority and may develop such other procedures as deemed necessary for the effective operation of the District.
13. The Board may also delete a policy and subsequently delegate the Superintendent authority over this area. The Superintendent may choose to then develop an administrative procedure relative to this matter.
14. The Superintendent must inform the Board of any substantive changes to administrative procedures as an information item in a Board agenda.

15. The Superintendent shall arrange for all Board policies and administrative procedures and subsequent revisions to be posted on the District's website, in a timely manner, for staff and public access.
16. The Board shall review and revise its policies on a rotational basis which provides for all policies being reviewed at least once per term of office.

POLICY 11 - BOARD DELEGATION OF AUTHORITY

The School Act allows for the Board to delegate certain of its responsibilities and powers to others.

The Board authorizes the Superintendent to do any act or thing or to exercise any power that the Board may do, or is required to do, or may exercise, except those matters which, in accordance with provincial legislation, cannot be delegated. This delegation of authority to the Superintendent specifically:

- Includes any authority or responsibility set out in the School Act and regulations as well as authority or responsibility set out in other legislation or regulations;
- Includes the ability to enact Administrative Procedures required to carry out this authority; and also
- Includes the ability to sub-delegate this authority and responsibility as required.

Notwithstanding the above, the Board reserves to itself the authority to make decisions on specific matters requiring Board approval. This reserved authority of the Board is set out in Board policies, as amended from time to time.

Further, the Board requires that any significant new provincial, regional or local initiatives must be initially brought to the Board for discussion and determination of decision-making authority.

Specifically

1. The Board expressly delegates to the Superintendent and, at his/her discretion, a designate, the authority to discipline, suspend or dismiss an employee, subject to the limitations of legislation, collective or contractual agreements and Board policy. Any suspensions or dismissals shall be reported to the Board as soon as practicable.
2. The Superintendent is directed to develop an Administrative Procedure to fulfill Board obligations created by any federal or provincial legislation.

Policy 12 – Appendix A

POLICY 12 - APPENDIX A - SUPERINTENDENT EVALUATION GUIDING PRINCIPLES

The Superintendent evaluation process is intended to provide for both accountability and growth, and the strengthening of the relationship between the Board and the Superintendent. The written evaluation report will affirm specific accomplishments and identify growth areas where applicable. Some growth goals may address areas of weakness while others will identify areas where greater emphasis is required due to changes in the environment.

1. Provide for a written evaluation of the Superintendent's performance twice in a four-year term.
2. Highlights the key role of the Superintendent as the educational leader of the district, to enhance student learning and success for all children.
3. Recognizes that the Superintendent is the Chief Executive Officer. The Superintendent is held accountable for work performed primarily by other senior administrators, e.g., fiscal management.
4. Emphasizes the need for and requires the use of evidence for evaluation purposes. Evaluations are most helpful when the evaluator provides concrete evidence of strengths and/or weaknesses.
5. Is aligned with and based upon the Superintendent's roles and responsibilities.
6. Is linked to the District's Strategic Priorities and the key results contained therein.
7. Sets out standards of performance.
8. Is also a performance-based assessment system. Such an evaluation focuses on improvement over time. The second and subsequent evaluations include an assessment of the Superintendent's success in addressing growth areas as indicated in the annual growth plan.
9. Uses multiple data sources. Objective data such as audit reports, accountability reports, and student achievement data are augmented with more subjective data.
10. Elicits evidence to support subjective assessments. This must be the case when the Board provides feedback regarding Board agendas, committee and Board meetings, etc.
11. Ensures Board feedback is provided at least twice in a four-year term of office. Such feedback will be timely, supported by specific examples and will focus on areas over which the Superintendent has authority. The Superintendent cannot be held accountable for areas over which he/she has not been given authority.

Policy 13

POLICY 13 - APPEALS PROCEDURE BY-LAW

Bylaw No. 2

Whereas the School Act states that

“Where the decision of an employee of a Board significantly affects the education, health or safety of a student, the parent/guardian of the student or the student may, within a reasonable time from the date that the parent/guardian or student was informed of the decision, appeal that decision to the Board.”

And,

“For the purposes of hearing appeals under this section, a Board shall, by bylaw, establish an appeal procedure.”

And, further

“A Board may refuse to hear an appeal under this section unless the appellant discussed the decision under appeal with one or more persons as directed by the Board.”

Therefore the Board of Education, School District No. 79 (Cowichan Valley), enacts the following Bylaw prescribing procedures for the disposition of any appeals arising from the application of the provisions of the School Act.

Decisions Which May Be Appealed

1. The Board of Education recognizes the right of a student and/or parent/guardian of a student under Section 11 of the School Act to appeal a decision of an employee of the Board where such decision significantly affects the education, health or safety of the student.
2. The following decisions shall be deemed to significantly affect the education, health or safety of a student:
 - 2.1 Disciplinary suspension from school for a period in excess of five (5) consecutive days or one that could prevent a student from fulfilling graduation requirements;
 - 2.2 Refusal to offer an educational program to a student who is sixteen (16) years of age or older;
 - 2.3 Requirement to complete all or part of an educational program by distributed learning as a disciplinary measure, where space and facilities are available in a school;
 - 2.4 Exclusion from school for a health condition;
 - 2.5 Failure to provide an IEP to a student with special needs as defined per Ministerial Order No. M150/89;

- 2.6 Failure to offer to consult with a parent/guardian regarding the placement or IEP of a student with special needs;
- 2.7 Denial of an educational program by failure to take action in respect of a complaint of bullying, intimidation, harassment, or threat or use of weapons or violence by one or more students against another student; and

any other decision that, in the opinion of the Board, significantly affects the education, health or safety of a student.

- 3. A “decision” for the purposes of this bylaw includes the failure of an employee to make a decision. “Parent/Guardian” is as defined in Section 1 of the School Act.

Refusal to Hear Appeals

- 4. The Board may refuse to hear an appeal where:
 - 4.1 The appeal has not been initiated within a reasonable time of the decision being appealed;
 - 4.2 The student or parent/guardian appealing the decision has not first discussed the decision being appealed with any persons identified by the Board; or
 - 4.3 The Board determines that the decision does not significantly affect the student’s education, health or safety.

Appeal Procedure

- 5. An appeal must be submitted to the Board in accordance with this Bylaw.

Before filing an appeal

- 6. Before an appeal is filed, it is the Board’s expectation that the student and/or parent/guardian will discuss the issue in dispute in a constructive manner with those responsible at the school or District level. In this regard, the Board expects, at a minimum, the following steps will be taken before an appeal is filed:

Step 1

The person(s) will express the concern(s) to the individual involved. Both parties may have an advocate and will attempt to resolve the concerns. In some circumstances, the principal may be asked to attend a meeting to assist the person(s) with Step 1.

Step 2

The person(s) will meet with the principal/supervisor or designate and may bring an advocate. The principal/supervisor shall carry out an appropriate review and report to all parties concerned and attempt to resolve the concern(s).

Step 3

The person(s) will submit to an Assistant Superintendent a written statement to outline the concern with recommendation(s) for resolution of the concern(s).

An Assistant Superintendent will review all information relevant to the matter:

- Contact the concerned person(s)
- Attempt to resolve the concern to the satisfaction of the person(s) with the complaint and inform the person(s) involved.
- Include in writing, the action which will take place to resolve the concern.

Time Limit for Filing Appeal

7. An appeal must be commenced within thirty (30) days of the date the student or parent/guardian was informed of the decision being appealed from, unless the student or parent/guardian initiating the appeal (the "Appellant") can demonstrate that there are reasonable grounds to extend this time limit.

Filing an Appeal

8. An appeal shall be initiated by filing a notice of appeal with the Secretary-Treasurer to the Board.
9. The notice of appeal shall include the following information:
 - 9.1 The name, address, email address (if applicable), and telephone phone number of the Appellant, including the student's name, school, grade level, and home room teacher;

10. Where the Appellant is a student under the age of nineteen (19) years, the Board shall provide a copy of the notice of appeal to the parent/guardian(s) of the student.
11. Upon receiving the notice of appeal, the Secretary-Treasurer will notify the Board, the appropriate Assistant Superintendent and the employee whose decision is being appealed, of the appeal.

Pre-Hearing Procedure

12. The Secretary-Treasurer or his/her designate is responsible for reviewing the notice of appeal and for communicating with the Appellant and others on matters related to the appeal.

13. Where, in the opinion of the Secretary-Treasurer, the appeal does not comply with the requirements for an appeal established under this Bylaw or Section 11 of the School Act (e.g. it is not a decision of an employee which significantly affects the student's education, health or safety; the appeal was not filed in a timely manner), the Secretary-Treasurer shall refer the preliminary matter to the Board for a determination.
14. The Board may ask for written submissions from the Appellant and/or the appropriate Assistant Superintendent on the preliminary matter.
15. The Board shall notify the Appellant and the appropriate Assistant Superintendent of any preliminary decision it may make, including a refusal to hear the appeal.
16. Where, in the opinion of the Secretary-Treasurer, there is no preliminary matter to be determined, arrangements will be made for the hearing of the appeal by the Board.
17. Prior to the date established for the hearing of the appeal, the appropriate Assistant Superintendent will provide a report to the Board regarding the matter under appeal. The Appellants and the employee whose decision is being appealed shall be entitled to a copy of this report.
18. The Board may provide directions for the hearing of the appeal.
19. The Board may, prior to the Board hearing the appeal or at any other time, require the Appellant discuss the decision being appealed with persons directed by the Board.
20. The Board may establish a committee of one or more persons who have not been involved in the decision under appeal, for the purpose of investigating an appeal and the committee shall report to the Board as directed.

Board Hearing

21. The Board may hold an oral hearing in respect of the appeal and/or may decide the appeal based upon written submissions. Oral hearings will be held in a closed session and the Superintendent of Schools shall act as an advisor for the Board.
22. The Board may make any interim decision it considers necessary pending the disposition of the appeal.
23. The Board shall advise the Appellant, the appropriate Assistant Superintendent and the employee whose decision is being appealed, whether the appeal will be determined based upon written submissions and/or an oral hearing and on any directions established for the hearing of the appeal, including the time frame for oral and/or written submissions.
24. Where the Board decides to hold an oral hearing, the Appellant, the appropriate Assistant Superintendent and the employee whose decision is being appealed, shall be provided with written notice of the date, time and location of the hearing.
25. The Board may ask questions of any person appearing at the appeal hearing.
26. The Board may adjourn the hearing at any time to obtain additional information where it considers such information would assist the Board in determining the appeal.

27. During the appeal process, the Appellant may be accompanied by an advocate, support person and/or interpreter/translator.

Decision

28. The Board shall make any decision that it considers appropriate in respect of the matter that is being appealed and any preliminary matters.

29. The Board shall decide the appeal based on the oral and/or written submissions presented to it and any other information obtained by the Board in accordance with this Bylaw.

30. The Board must make a decision as expeditiously as possible and within 45 days from the date the notice of appeal was received in an acceptable form.

31. The Board shall promptly notify the Appellant, the Superintendent and the employee whose decision was appealed of the decision of the Board and shall provide written reasons for the decision as soon as practicable.*

POLICY 16 - SEXUAL ORIENTATION, GENDER IDENTITY AND GENDER EXPRESSION

The Board of Education recognizes and values the diversity found within its school community and believes that each individual contributes to the strength of the District's culture. The Board also recognizes that students and their families, employees and volunteers who identify as or are perceived to be lesbian, gay, bisexual, transgender, transsexual, two-spirit, queer or questioning their sexual orientation, gender identity or gender expression (LGBTQ) face a unique set of challenges within our schools and communities. This often results in a struggle with a variety of profound social consequences including discrimination, harassment, physical and sexual violence, social and emotional isolation, substance abuse, homelessness, school truancy and drop-out, self-harm and suicide.

The Board recognizes its responsibility to provide a safe, inclusive and welcoming environment for all students and their families, employees and volunteers, including those who identify as or are perceived to be LGBTQ.

Specifically

The Cowichan Valley School District is committed to establishing and maintaining a safe, inclusive and welcoming environment for all students and their families, employees and volunteers including those who identify as or are perceived to be LGBTQ. This environment is to be free of discrimination, harassment and intimidation.

The Board will implement strategies and guidelines to ensure that students and their families, employees and volunteers who identify as or are perceived to be LGBTQ are welcomed and included in all aspects of their education, their child's education, their employment or their service, as the case may be, and are treated with respect and dignity.

The Board will not tolerate any behaviour that is discriminatory, harassing or intimidating towards students and their families, employees or volunteers, including those who identify as or are perceived to be LGBTQ. The Board is committed to providing support and assistance to those who may be affected by such behaviour.

The authority and responsibility for the Administrative Procedures related to this policy rests with the Superintendent of Schools.

Policy 17

POLICY 17 - ACCUMULATED OPERATING SURPLUS

The purpose of the Accumulated Operating Surplus Policy (Policy) is to provide guidelines and rules to ensure accountable and transparent financial planning, and develop procedures that guide the accumulation, spending and reporting of operating surplus funds. An accumulated operating surplus is achieved by spending less than the revenue the school district receives. The Board of Education (Board) is required by legislation to approve a balanced annual operating budget, which may include use of accumulated surplus funds from the previous year. The Board will engage the local community prior to approving restrictions on the spending of surplus funds. The restriction of accumulated surplus funds will be guided by the Board's strategic priorities. This policy aligns with and ensures compliance with the Ministry of Education (Ministry) Accumulated Operating Surplus Policy.

Specifically

Engagement with Local Community, First Nations and BC Metis Nation

When developing local budgets (including the use of operating surplus) boards will ensure that they consult and engage their local communities by providing information on:

- Where, when and how long the community will have the opportunity to provide input, feedback and ask questions on the Board's annual budget;
- Specific opportunities for the local community to provide feedback on how the use of operating surplus supports the Board's strategic priorities; and
- How the Board will report out to the community on its progress towards meeting its strategic priorities (including the use of surplus).

This engagement may occur in conjunction with the public and partner budget feedback sessions.

Internally Restricted Operating Surplus

The restriction of accumulated operating surplus will be reported in three categories:

1. Restricted due to the nature of constraints on the funds. These funds have external restrictions that are not at the discretion of the Board;
2. Restricted for anticipated unusual expenses identified by the Board; and
3. Restricted for operations spanning multiple school years. These funds will include items that the Board of Education has determined are required to be held for use in a future year.

Examples include:

- a. Held to offset a funding shortfall in future years;
- b. Held to plan for a future new school contribution; and
- c. Held to assist schools and departments plan for multi-year expenditures.

Unrestricted Operating Surplus (Contingency)

The Board shall maintain a contingency reserve of at least 1% and not exceeding 3% of operating expenditures.

The Board may approve the use of the contingency reserve under the following circumstances:

- The elimination of any deficit arising at the end of a fiscal year of operations;
- The funding of new cost pressures in a fiscal year that were not known at the time of budget development;
- The payment of severances (wages and benefits) upon termination of employment;
- The settlement of any legal action that is not covered by insurance;
- Initial one-time cost outlays for new education programs;
- Coverage for disaster recovery expenditures;
- Extraordinary utilities cost pressures;
- Replacement of equipment essential to the continuation of educational programming in schools or District facilities;
- To assist in balancing future years' budgets.

In recognizing the use of the contingency reserve represents a one-time source of funding, the Board will incorporate into its future budget planning processes strategies to re-establish the contingency reserve. Such strategies may be implemented over a period of two years.

Restricted for Future Capital Cost Sharing

To support major capital projects that are identified in the Board's Five-Year Capital Plans and approved by the Ministry of Education for concept plan or business case development, the Board may restrict operating surplus to satisfy capital project cost share expectations at the time the project is brought forward for funding approval.

Local Capital

Local capital includes the Board's portion of any proceeds from the disposition of capital assets, transfers from operating funds and interest earned on local capital funds restricted for the purchase of tangible capital assets. Transfers from operating funds to local capital must be made only for specific initiatives that have a clear linkage to the Board's strategic priorities, or that address capital asset investment, or that meet the specific needs of the school district.

The Board will approve planned interfund transfers in alignment with the approval of the Annual Operating Budget. Subsequent requests will be presented to the Board of Education for approval as required. Capital assets purchased out of departmental operating budgets do not require subsequent board approval.

Reporting

The Board is required to provide the Ministry with an annual report on its budget allocation decisions (including operating surplus and local capital), demonstrating that approved allocations support the Board's strategic priorities. This reporting ensures that the Ministry receives all information relevant

to operating surplus. The Board will provide additional narrative-type information explaining how the funds were accumulated and how the operating surplus will be used through the Financial Statement Discussion and Analysis (FSD&A).
