

Site-Specific Safety Plan Details

Site name: Drinkwater

1. Occupancy limits for any shared or common work areas:

- Neighbourhood pod area with 149m² with a maximum of 29 people
- Intermediate pod area with 73.8 m² with a maximum of 14 people

2. Directions for Student Pick-up, Drop-off and entry to reduce gathering and congregation:

- School Bell is at 8:30
- Students arrive between 8:20-8:30.
- Students will use classroom outside doors for entry and exit.
- Families or caregivers of intermediate students will drop off at the fence line and allow student to walk into their classroom line ups.
- Families or caregivers of primary students or students who need support may bring student to their classroom's outside door, while maintaining 2m distance from others.
- There will be adult supervision outside 15 minutes prior to morning bell and 15 minutes after dismissal. Students are encouraged to be picked up and/or to walk directly after school and not to linger on playground or school grounds.
- Staff will meet students at their classroom doors at the morning bell and direct students to the handwashing station and give reminders about cloakroom behaviour.
- Primary teachers will dismiss students to families or caregivers outside their classroom doors at the end of the day at 2:15pm.
- Intermediate teachers will dismiss student to meet families or caregivers at the fence or walk home.
- Outside play is in assigned zones from 11:10-11:55.

3. Indoor areas that lack capacity for distancing and that include interaction of staff with multiple cohorts:

Office 22 m² has a limit of office staff members plus 2 for a total of 4.

Staff box access is one person

Photocopy room access is one person.

Principal's office has a maximum of 3 people at 15.33m²

Vice Principal's office has a maximum of 2 people at 10.22 m²

Art Room access is two people.

Counseling room 7.6m² one adult with one student

Room 110 -41 m²- accessed by itinerant staff and students has a maximum of 8 people

4. Separate supervised waiting area (indoor):

If child presents with symptoms:

- An adult will escort child through their outside class doors to the doors closest to change rooms. Child will wait in the change room area until parent arrives.
- Classroom teacher or office staff will call parent to pick up and inform office.
- An adult will supervise child from outside the room (keep 2m distance) while waiting for parent.

5. Separate supervised waiting area (outdoor):

- Outside front doors on a chair.

6. Method for cleaning and disinfection of sports equipment and manipulatives:

Cleaning and disinfection occurs with each teacher with provided disinfectant or a quarantine is used.

Any specific situations or protocols for interacting or completing work at the site:

- All visitors will sign in at the main doors and indicate where they will be working.
- All visitors will sanitize hands and proceed to closest sinks for handwashing.
- Visitors will sign out when leaving the building.
- When visitors are in areas with students or staff they must wear a mask and maintain 2m physical distance.
