EARLY LEARNING  
CENTRES

## Play is Learning

Your health and safety are important to us

- Before attending please complete a daily health assessment. Please stay home if you or your child are not feeling well.
- Sanitize/wash hands upon entering the facility
- Be snack aware, please do not bring high allergen foods into our space to help us keep others safe

## DETAILS

Drop-in programs for children birth to 5 years of age with their parent/caregiver.

### Learn Through Play

An Early Childhood Educator will be there to share ideas and answer questions about how to support your child's learning. Programming schedules will vary at each location but will include:

#### Free Play

Our StrongStart programs provide an abundant learning environment, promoting social, emotional, physical, and cognitive development. Play is learning and our qualified early childhood educators support the children in interacting with others their age. The early childhood educators help increase and support the parent-child connection.

#### Circle Time

Stories, songs, and rhymes to support early literacy development.

StrongStart programs operate throughout the school year, following the current school calendar for closures. The intended age level is birth to 5 years of age, along with their parent or caregiver and each program operates on a drop-in basis for **free**.

### REGISTRATION

is completed when attending for the first time at the StrongStart program nearest you.

On your first visit, please bring:

- Proof of Age for Child(ren)  
(Birth Certificate or Passport)
