

Site-Specific Safety Plan Details

Site name: Tansor Elementary

1.Occupancy limits for any shared or common work areas:

A minimum of 5 square meters is required for each individual occupant; this space needs to be greater when the belongings in the space obstruct occupancy area – occupancy limits have been assigned and labelled on each room accordingly.

2.Directions for Student Pick-up, Drop-off and entry to reduce gathering and congregation:

Morning drop off time is 8:00 am and staggered to 8:20 am. Pick up time is 2:20 and staggered to 2:35pm. We encourage all parents/guardians, family members dropping off and picking up to do so in a timely manner as not to cause congestion on school property.

Individual class recess time is done through zones of play areas and staff have designated zones and times.

Our lunch ours are staggered with Divisions 3, 7-12 and 15 play outside 11:15-11:40 & Divisions 1,2, 4,5,6, 13, 14 play outside from 11:45-12:10.

Parents/Families needing to speak to the office may call the office for an appointment and/or knock at the front door.

3.Indoor areas that lack capacity for distancing and that include interaction of staff with multiple cohorts:

Librarian has a barrier.

ELL teacher has the choice to have a barrier, uses her mask and face shield.

4.Separate supervised waiting area (indoor):

Room 138, is our first aid room.

5.Separate supervised waiting area (outdoor):

This can be used if the onset of symptoms occurs while the student is outdoors or weather and situation permitting. Outside at the front door by the table.

6.Method for cleaning and disinfection of sports equipment and manipulatives:

Cleaning and disinfection occur at the start and mid-point of the day; where items can't be cleaned and disinfected due to the logistics of the task, a quarantine process is considered. Items that can't be cleaned and disinfected due to the type of material are used with regular hand hygiene. Sports equipment is cleaned after each class.
